

## Your Heart Knows the Way, Follow It

In September, when you arrive at our St. Mary's Medical Center (SMMC) Heart & Vascular Center, you will be greeted by this beautiful heart painted by local artist, Anthony K. Hall Jr. [LEARN MORE](#) about him and the heart.

The installation of the heart precedes the grand opening celebration of the construction of our fully donor funded Hybrid Suite/OR. More to come on that event soon!

### Women and Medicine Spring Meeting

We had a successful meeting of our fantastic Women & Medicine group. With attendance from returning members, our top female physicians and staff, along with new faces that joined us as members!

A lively roundtable discussion was led by our new Chair and hospital President/CEO, Pam Lindemoen, that brought up many shared and long-time connections among the group and great ideas. View [MORE PHOTOS](#) and like our Facebook page while you are there!
